Date: Sunday, March 28, 2004

Dear Sembach Veterans

Following on the heels of a very successful 2003 reunion in Las Vegas, the San Antonio 2004 reunion promises one more great opportunity. Yes, another great opportunity to meet with your "old Sembach friends, as well as meet new ones."

There is so much in common between all of us that in Las Vegas we ran out of time to continue the stories that we all experienced at Sembach. San Antonio promises to be the next opportunity we have to "share the stories that made up the history of the work we did."

For those of you, who can attend the reunion in San Antonio, be prepared to enjoy Sembach experiences which will make you laugh until you have tears in your eyes. Yes, San Antonio promises to be a great experience for all of you that can make it.

On behalf of your board of directors, we look forward to seeing you in San Antonio.

Sincerely,

John D. Moore, CPP  
President
